MARS GAMING

MM4 MOUSE

Designed for Pro-gamers, MM4 mouse includes state-of-the-art technology. Its professional extreme Avago laser gaming sensor gets selectable polling rate, up to 1000Hz, and 30G acceleration in order to achieve ultimate movement precision.

Besides, its high speed On-The-Fly up to 16400DPI level switch is fully programmable, improving even further control and performance.

MM4 also includes an awesome UI software*, for advanced configuration totally customizable. Its 128kb memory allows to save up to 5 user profiles and its 19 Omron mechanical switches configuration.

MM4 highlights for its outstanding Mars Gamign design and awesome customizable lighting effects, with 6 different colors.

*Software compatible with Windows XP/Vista/ 7/ 8/ 10
