MARS GAMING

MC2V2 CASE

MC2V2 has a resistant and lightweight chassis, manufactured with high quality alloy and a perfect anti cuts finish.

The elegant front panel in glossy black and its red front LED fan give an aggressive image to this box, perfect for gamers.

Includes a extreme cooling system, giving the option to add another lateral fan (12 cm) and one in the back (8/9 cm), to play for hours.

The interior design of the box allows you to include graphic cards up to 330 mm, to enjoy the games with the best image quality.
