

# MH120 GAMING HEADSET

The MH120 is a professional gaming headset with 50mm neodymium drivers for powerful bass and clear high sounds. It includes a split audio adaptor that allows you to easily connect your headset to your PC.

## NOTES

- The 1.2 adaptor allows you to connect your headset to your PC. Use the single jack connector to use the MH120 with the rest of compatible devices.

## CONNECTORS
