MARS GAMING

MIH1 IN-EAR HEADPHONES

With its well known red and black appearance, Mars Gaming creates the first in-ear headphones for their gaming line.

Their ergonomic design and their soft ear-cushions will bring comfort becoming the perfect ally during long gaming sessions. MIH1 also includes a microphone with noise cancelling system to avoid unexpected interferences while playing.

Despite their small size, MIH1 can achieve a powerful sound. MIH1 have high-quality Neodymium drivers with premium bass, specially designed for Gamers.

Thanks to its double connection system MIH1 are highly compatible and can be used with PC, Mac, Smartphone, Tablet...
