MMZE1 MOUSE

Zeus MMZE1 mouse includes most advanced technology. Its professional Avago optical sensor reaches 5000DPI, with up to 1000Hz polling rate, to get the highest precision of movements.

Thanks to its UI software, MMZE1 allows total customization, with Macro keys and user profiles configuration.

MMZE1 has an awesome white design, with ambidextrous design and soft rubber finish, for perfect hand fitting. Its 7 colors lighting, with breathing effect, makes this mouse not go unnoticed.

MMZE1 includes many other premium features, such as 1,8m braided cable, with gold-plated USB connector, to get the best connectivity, and teflon feet to ensure perfect sliding.

*Software compatible with Windows XP/ Vista/ 7/ 8
