NOTEBOOK COOLER MNBC1

MNBC1 is a notebook cooler for notebooks up to 17,3".

Its two 160mm fans, with Fluxus bearing and awesome red-LED lighting effect, and its fully top mesh cover, gets high air flow and excellent cooling to achieve notebook's best performance under any circumstance.

MNBC1 has been designed to offer maximum comfort. Its adjustable height minimizes tension caused when operating with notebook for long periods. It also includes two 2.0 USB ports, giving the chance to connect additional devices.
