## MSB1 BLUETOOTH SPEAKER

MSB1 is a pro-gaming bluetooth speaker. With 8W and 4 drivers, 2 active and 2 pasive ones, MSB1 offers extreme sound performance.

Its compact size and its high-power Lithium battery, with up to 10 hours of play time, gives the chance of taking it anywhere and enjoy the best sound quality in your games at any time.

And also, MSB1 includes 4.0 bluetooth, with its premium features: energy saving, larger working range and faster connection. Bluetooth 4.0 is compatible with all bluetooth devices: smartphones, iPhone, iPad, MP3, Pc...

You will be able to answer your phone calls without disturbing noises, due to its built-in microphone with Noise Blackout Extreme technology.

MSB1 includes the advanced NFC\* technology, contactless, for a smarter management.

\*NFC Technology not compatible with iOS
